The Coach ensures that only persons whose parents/guardian consent and accept that during the event there will be photo and video coverage in which their child may appear.

## Team's Members Details & Participation in Challenges

<b>Team Name</b>	
------------------	--

In the following table, note with **✓** the challenges in which the team will participate. If the team participates in both days of the event, complete the form with the challenges of each day separately. Print the document on both sides of the page and submit it during the team's registration process on each day separately.
